CD-ROM no. 1049

Information management resource kit. Management of electronic documents [electronic resource] / FAO.

The CD-ROM consists of 27 lessons on the collection, archiving, management and dissemination of electronic documents and associated images, supplemented with a series of tools and guidelines for document management, as well as case studies which demonstrate real life applications of the concepts and procedures being taught. In addition to the learning materials, the module provides learners with a technical glossary, search function and links to online resources.
